

Tri-State Bleeding Disorder Foundation Scholarships 2024 *Scholarship Information and Guidance*

The board of the Tri-State Bleeding Disorder Foundation (TSBDF) acknowledges the many challenges students face during their journey to complete a post-secondary educational program or beyond. It is hoped that the financial assistance provided by the TSBDF Scholarships will help recipients continue their quest for knowledge and the attainment of their dreams. Two types of scholarships are supported by the TSBDF: *The T.D. Hughes, Jr. Scholarship* and *The Gina Stack Memorial Scholarship*.

In addition, the University of Cincinnati has available the *Dr. Peter G. Ruehlman Scholarship* through the generosity of Dr. and Mrs. Peter G. Ruehlman.

The TSBDF *T.D. Hughes, Jr. Scholarship* and *The Gina Stack Memorial Scholarship* are:

- Open to any person with a bleeding disorder diagnosis and their immediate family members, i.e., hemophilia, von Willebrand disease, or other related inherited bleeding disorders.
- The applicant or their immediate family member with a bleeding disorder must live within the geographic area served by the TSBDF or be followed at either the pediatric or adult hemophilia treatment center in Cincinnati.
- The applicant must be seeking *full-time enrollment* in post-secondary education at a university/college or technical school or be enrolled as a student in a graduate school program.
- Students may submit scholarship applications in *one or both* categories if they are eligible.
- Scholarship applicants may be awarded more than one scholarship in the same year if the scholarship committee deems appropriate.
- **NOTE: Applicants of the Gina Stack Memorial Scholarship must be pursuing a full-time degree program with a focus on healthcare or the medical profession.**
- The minimum award for the T. D. Hughes, Jr. and the Gina Stack scholarships for 2024 is \$2,500 each. Priority will be given to students applying for the first time.
- Depending on the availability of funds additional scholarships from each category with a minimum of \$1000 may be available to other applicants, including applicants who were previously awarded TSBDF scholarships. A NEW APPLICATION IS REQUIRED for each year that a student applies for funding.
- Scholarship awards may be increased from their minimum value depending on availability of funds.

T.D. Hughes, Jr. Scholarship

T.D. Hughes began working at LaRosa's Pizzeria in 1962 and was promoted to the position of General Manager of LaRosa's in the mid 1970's, a position he held until the late 1980's when he became Chief Executive Officer. T.D. is now retired as Chairman of the Board of LaRosa's Pizzeria.

More than 30 years ago T.D. joined the board of the Greater Cincinnati/Northern Kentucky Chapter of the National Hemophilia Foundation. During his tenure on the board, T.D. worked tirelessly to connect those who needed help with those who could solve the problem. He successfully led the merger of the Greater Cincinnati/Northern Kentucky Chapter of the National Hemophilia Foundation and Friends and Families of Hemophilia in 2004, after which he retired from the Board of Directors. In his honor the Board of Directors created the T.D. Hughes, Jr. Scholarship Fund.

"Give without remembering. Receive without forgetting."

- T.D. Hughes

Gina Stack Memorial Scholarship

Gina began her never-ending devotion to children and their wellbeing as a young child, volunteering her summers at Camp Allen working with handicapped children. Gina graduated with a bachelor's degree in nursing from Vanderbilt University in Nashville, Tennessee. Upon graduating she began working at the Cincinnati Children's Hospital Medical Center as a clinical nurse.

After getting married Gina briefly moved away from Cincinnati, while continuing her nursing career. In 1980 she returned to Cincinnati, joining Cincinnati Children's, where she spent the rest of her career as a pediatric nurse. After working in several pediatric units, Gina joined the Hemophilia Treatment Center where she worked as a Hemophilia Clinical Nurse Coordinator. As a hemophilia nurse, Gina developed her deepest love, helping and caring for children with bleeding disorders and their families.

Gina was an active member of the Mormon faith, touching and helping many members' lives throughout the years. Diagnosed with metastatic melanoma in January 2006 she continued her involvement and dedication to her patients and families as her health permitted. Gina's life-journey and mission came to an end on a day that symbolized all that she stood for, on Valentine's Day, February 14, 2007. Throughout her life, Gina worked to help others, while projecting an inner peace and happiness to all who knew her. She left behind a legacy of caring for others, hard work, having fun, and never giving up.

UNIVERSITY OF CINCINNATI

Dr. Peter G. Ruehlman Scholarship – Not Available Again Until 2025

In addition to the two scholarships offered through the Tri-State Bleeding Disorder Foundation, the University of Cincinnati has available the Dr. Peter G. Ruehlman Scholarship. Through the generosity of Dr. and Mrs. Peter G. Ruehlman, the University of Cincinnati is pleased to offer a scholarship to a student living with hemophilia, Von Willebrand disease, or other related bleeding disorder.

The scholarship is available to an undergraduate, graduate, and professional student who is enrolled full-time and matriculating at any college of the University of Cincinnati, including the College of Law and the College of Medicine. The scholarship is valued at \$5,000 per year. Applicants must meet the following stipulations:

- Student must be in good academic standing with a minimum 3.2 cumulative GPA.
